White House

Wonder Woman is at
the White House with Superman.

“There’s something fishy
here,” she thinks.

“The president’s voice
has changed.”

Batman rushes to Washington.

They check on the president
and see something attached
to his neck!

“A Starro probe!” they shout.

“Starro can brainwash anyone.

We must catch him!”

Superman takes charge.

He dashes between choppers
that are shooting lasers at him.

Superman chases Starro down.

Wonder Woman snatches him
in her lasso.

Batman shrinks him down.

The president is free!

“Thank you so much,” he says.
